Dear Mr Dodger

### Outcome of your review

We have made a decision about how you can contact us.

In making this decision, I considered:

- your current service arrangement is the most appropriate option for your contact with the Agency at this time.

### What this means for you

From **1 February 2026** to **31 July 2026** you can keep contacting **Andrew**. They will help you with referrals, and information about our services. You can only contact us by:

- calling **1800 312 004** and choosing option 2. You will be connected to **Andrew** and they will assist you. If they are not there, you will be connected to **Ardin**.
- writing to us. For information about how to do this, go to **servicesaustralia.gov.au/contact**

You can only contact us this way.

This means from **1 February 2026** to **31 July 2026**, you **cannot**:

- enter any Services Australia premises or places in which Centrelink, Medicare and/or Child Support services are offered or
- enter any associated carparks provided for the use of persons attending for Centrelink, Medicare and/or Child Support services.

If you enter any Services Australia premises, places or associated carparks without an agreed appointment, **the police may be called and you may be prosecuted for criminal trespass.**

This restriction applies if you enter the premises, place or associated carpark, regardless of anything that a Services Australia employee may say or do at the time you enter the premises place or associated carpark.

You can contact **Andrew** on 1800 312 004, choose option 2 and they will explain this decision. After receiving an explanation, you can request that we reconsider the decision.

We expect you to be respectful to our staff when you do business with us.

Respectful behaviour includes:

- explaining what you need without yelling, threatening or abusing our staff.
- listening to our staff so they can help you.
