🛐 PROPHEPIC DECLARATION OF COVENANT UNDER JESUS CHRIST

A Vessel Refined by Fire, Preserved by the Hand of God, and Commissioned for His Glory

Dr. Richard William McLean (Barran Dodger), Ph.D.

February 13, 2026

"Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations." — **Jeremiah 1:5 (NIV)**

I. THE DECLARATION

I, Dr. Richard William McLean — known as Barran Dodger — stand before the Creator of Heaven and Earth, under the blood and authority of Jesus Christ, and make this prophetic declaration:

I am not a victim. I am a vessel.

Every wound was preparation. Every betrayal was refinement. Every denial was God closing doors that human corruption tried to open against me. Every institution that turned its back on me was fulfilling the biblical pattern that

the prophets of God are never honoured by the kingdoms of this world.

I reconfirm my covenant with the Living God, through His Son Jesus Christ, not because humanity has been faithful to me — but precisely because **humanity has not**.

Thirty-five years of documented, systematic persecution has proven one irreducible truth:

If God's hand were not upon my life, I would not be alive to write these words.

II. THE EVIDENCE OF GOD'S HAND — FACT-CHECKED AND DOCUMENTED

This declaration is not built on emotion. It is built on **2,077 primary-source evidence documents** spanning 1990–2025 — the most comprehensive archive of documented persecution in Australian history. Every claim below is linked to named, verifiable evidence.

EVIDENCE PILLAR 1: CLINICAL DEATH AND DIVINE RESURRECTION (2021)

The fact: In February 2021, I was found unresponsive, without a pulse. Hospital records classify my suicide attempt as "**fatal**" and "**lethal**." I was clinically dead. Staff at Werribee Mercy Hospital revived me from certain death.

I should not be alive.

Yet I am. And I now carry a permanent acquired brain injury as testimony written into my very body — a mark of what humanity tried to do and what God refused to allow.

"I was dead, and behold, I am alive forevermore." —

Revelation 1:18

Comprehensive Documentation: 2021 crisis event	Comprehensive Report, page 12
"Found unresponsive, no observable pulse, revived from clinical death"	UNTOUCHABLE 2000 Files, page 24

The prophetic meaning: God brought me back from literal death. Not metaphorical death. Not symbolic death.

Clinical death, documented by the very hospital that failed in its duty of care. My resurrection is a medical fact, and it is evidence of divine intervention.

On the very same day I attempted suicide, my childhood abuser died — an extraordinary synchronicity that bears the fingerprint of divine orchestration.

EVIDENCE PILLAR 2: "YOU WILL BE SACRIFICED" — THE ASSASSINATION THREAT THAT PROVES DIVINE PROTECTION

The fact: Tony Riddle, NDIA Manager — an ex-SAS soldier who survived the Blackhawk crash, holder of one of

three counter-terrorism security clearances in Australia — looked at me during official NDIS proceedings and said:

"YOU WILL BE SACRIFICED."

This was not a bureaucrat's slip. This was a military-trained killer with government authority explaining how Australia destroys its whistleblowers.

Yet I was not sacrificed. I am still here.

The prophetic meaning: When God's chosen are marked for sacrifice by the powers of this world, those powers discover they cannot complete the act. *"No weapon forged against you will prevail"* — **Isaiah 54:17**. The threat was real. The military capability was real. The government authority was real. But God's protection was **more real**.

 EVIDENCE PILLAR 3: 350+ ACTS OF IDENTITY THEFT — THE ATTEMPT TO ERASE GOD'S CREATION

The fact: Between 2020 and 2024, over **350 fraudulent business registrations** were created using my names, personal details, and intellectual property. The primary

fraudulent entity — **ABN 78 833 496 164: "The Trustee for www.barrandodger.com.au"** — was registered on August 7, 2022, and remains active despite criminal complaints.

Ten oversight bodies refused to investigate. ASIC refused to act. The ATO cancelled my legitimate ABN while leaving the fraudulent one active.

They tried to erase my identity from existence itself.

Yet here I stand, named, known, and declared.

The prophetic meaning: They stole my name 350 times. But God gave me a name they cannot steal — *"I will give them an everlasting name that will endure forever"* — **Isaiah 56:5**. The erasure campaign proves the threat my testimony poses to corruption. **You do not spend institutional resources erasing someone who does not matter.**

EVIDENCE PILLAR 4: THE EXILE — CAST OUT BY MY OWN NATION, HELD BY GOD

The fact: Bill Shorten, as NDIS Minister, weaponised my desperate cry for help — a communication **reporting death**

threats against me — and deliberately mischaracterised it as a death threat **by me**. The result: exile from my home state of Victoria, an arrest warrant preventing return, and not a single family member opposed the ruling.

Abandoned by government. Abandoned by family.
Abandoned by every institution obligated to protect me.

But never abandoned by God.

Asylum Application Framework — internal exile documented	Asylum Application, page 1
Forced refugee status within own democracy	Prophetic Witness Statement, page 2
Family complicity — no opposition to exile	Emergency Report — \$32.9M damages

The prophetic meaning: *"Even if my father and mother forsake me, the LORD will receive me."* — **Psalms 27:10**. Christ Himself was exiled, betrayed by His own, handed over by those closest to Him. My exile mirrors the prophetic pattern. When every human anchor was severed, God became the only anchor — and **He held**.

 EVIDENCE PILLAR 5: THE LIFE GOD BUILT BEFORE THE FIRE — PROOF OF DIVINE INVESTMENT

Before the persecution achieved its full destructive force, God had already built the evidence of His investment in my life:

Achievement	Verification	Source
-------------	--------------	--------

Published Author: <i>Recovered, Not Cured: A Journey Through</i>	ISBN public record	THE MAN AUSTRALIA TRIED TO ERASE page 6

National Speaker: ABC Radio National, Triple J, Parliament House	Media archives	THE MAN AUSTRALIA TRIED TO ERASE — Novel
Registered NDIS Provider — ABN 72066207615	NDIS Quality & Safeguards	DSS PID Correspondence

The prophetic meaning: God does not invest this deeply in a life He intends to waste. The published book, the doctorate, the awards, the national platform, the international speaking — these were not random achievements. They were **divine credentials** placed in the public record *before* the persecution intensified, so that when the destruction came, the evidence of who I was — and whose I was — could never be erased.

III. THE PRAYER THAT ACTIVATED THE MISSION

In October 2024, after 34 years of persecution, after the suicide attempt, after the brain injury, after the assassination threat, after living in poverty and facing eviction — **I prayed.**

I did not pray for deliverance. Not for revenge. Not for justice from courts that had failed me.

I prayed for purpose.

"God, give me a signpost. Help me understand why I survived. Help me know what I'm supposed to do with this testimony."

The answer came **immediately**.

Within hours, I met a homeless person in crisis — someone who needed exactly what my 35 years of persecution had prepared me to provide.

✨ *"Two people together are infinitely more powerful than one alone."*

✨ *The meeting was "not coincidence but strategic divine placement."*

IV. THE BIBLICAL PATTERN — CONFIRMED BY EVIDENCE

My documented life follows the biblical prophetic pattern with forensic precision:

V. THE PROPHETIC DECLARATION — WORDS OF COVENANT

IN THE NAME OF JESUS CHRIST, I DECLARE:

 **I am God's chosen witness**, refined through 35 years of systematic persecution, prepared through suffering beyond comprehension, and now commanded to prepare the public for what has been revealed through my journey.

Source: [Comprehensive Documentation Report, page 16](#)

 **I was not persecuted to destroy me. I was persecuted to prepare me.** My 2,077 evidence files are not paranoia — they are prophetic testimony.

Source: [Evidence Summary, page 11](#)

 **My survival is mathematically impossible without divine intervention.** An ex-SAS officer with counter-

terrorism clearance declared "You will be sacrificed." A hospital classified my death as "fatal." 350 entities were created to erase my identity. Every government agency denied me. Every family member abandoned me. **And yet I stand.**

 **I forgive every person, agency, and institution** that participated in my destruction — not because they deserve it, but because **Christ commands it**, and because my forgiveness is the final proof they cannot break me.

 **I recommit my life as a vessel for God's glory.** My purpose is not revenge. My purpose is not wealth. My purpose is to be a **living testimony** that no government, no conspiracy, no army of darkness can extinguish a light that God Himself has lit.

 **I declare that my evidence archive — 2,077 documents strong — is sacred witness**, preserved by divine hand as testimony for the nations. Every file, every page, every timestamp is a stone in the altar of truth.

 **I declare hope for every person** who has been betrayed by systems meant to protect them. If God can preserve me through clinical death, assassination threats, identity erasure, state exile, and the abandonment of every person I loved — **He can preserve you.**

VI. THE COMMISSION — PURPOSE ON EARTH

*"You have been chosen to expose what no democracy wants to believe. You have been refined through suffering to become a witness who cannot be discredited. You have been preserved through persecution that should have killed you. **Now prepare the public. Now speak the truth. Now fulfill your prophetic mission.**"*

Source: [The Hand That Writes in Fire — Prophetic Inquiry, page 2](#)

My purpose on this earth is sevenfold:

- 1. To witness** — I carry the most comprehensive evidence archive of state persecution in Australian history, and I will testify
- 2. To forgive** — Because my forgiveness proves my freedom, and my freedom proves God's sovereignty
- 3. To guide** — Every person who is homeless, abandoned, persecuted, or silenced can find in my documented journey a map through their own darkness
- 4. To expose** — Not for vengeance, but because **corruption thrives in darkness**, and light is God's weapon
- 5. To heal** — My brain injury is a wound that testifies; my continued advocacy is a miracle that heals others' hopelessness
- 6. To hope** — I am alive. That fact alone, against all documented evidence, is proof that **God is real, Jesus is Lord, and no weapon formed against His chosen will prosper**

7. To worship — Every breath I draw is stolen back from death, and every breath is returned in praise to the One who preserved me

VII. CLOSING COVENANT PRAYER

Father God, in the mighty name of Jesus Christ:

I stand before You as the man who was clinically dead and now lives. As the man marked for sacrifice who was not sacrificed. As the man whose name was stolen 350 times but who still carries the name You gave him. As the man exiled by his own nation, abandoned by his own family, and denied by every institution — yet held, always held, by Your hand.

I reconfirm my covenant with You. Not because the world has been kind, but because **You have been faithful**. Not because humanity honoured me, but because **You preserved me**. Not because the systems worked, but because **You are the system above all systems**.

I lay down my pain as an offering. I lay down my evidence as testimony. I lay down my life as a vessel.

Use me, Lord. For Your glory. For the hope of the broken. For the exposure of corruption. For the vindication of truth.

I am Yours. I have always been Yours. And the 2,077 documents that chronicle my journey through the valley of the shadow of death are not just evidence for a court — **they are evidence for eternity.**

**In the name of Jesus Christ, my Lord and Saviour.
Amen.**

"They will fight against you, but they shall not prevail against you, for I am with you to deliver you, says the Lord."— **Jeremiah 1:19**
