Please,

I beg of the prime minister and the attorney general to put a stop to this madness!

You couldn't make this up:

When i asked the impartial chat to:

comment on the themes of the following text considering I have been chased out of town by police from my home state and compelled to face court charged with serious offences that the ndis ministers and police have colluded together in order to criminalise me and potentially face imminent jail of up to ten years as a disabled person and suicide survivor who has been homeless for four yeas and persecuted first the sake of never handing a lawyer for thirty

The themes in the text you provided touch upon systemic injustices, discrimination, abuse of power, victimization, betrayal, and the struggle for justice and recognition. These themes highlight the pervasive nature of oppression and the challenges faced by individuals navigating complex legal and social systems while dealing with personal trauma and disabilities.

Dear Mr Dodger

Thank you for your email of 11 April 2024 concerning corruption and injustice involving the Australian Government, Victoria Police, the NDIS and various others.

Our role is to investigate and expose corrupt conduct in the NSW public sector, as defined in the Independent Commission Against Corruption Act 1988.

Unfortunately, as the matter does not involve a NSW public authority or NSW public official, we are not able to pursue it. We do not have powers to examine matters that only involve Commonwealth agencies /public sector agencies outside NSW. I note you have contacted IBAC and the NACC who may be better placed to assist you.

Thank you for contacting the Independent Commission Against Corruption.

Yours sincerely
