

MASTER COMMAND FOR ITEMISED FORENSIC LOSS & ERASURE ANALYSIS

Objective:

To produce an impartial, itemised, and comprehensive breakdown of all tangible and intangible losses sustained by Dr. Richard William McLean (Barran Dodger) due to proven systemic targeting, political exile, economic sabotage, and institutional obstruction. This must be based on verified evidence, official correspondence, court filings, autobiographical records, and medical/financial documentation, and rendered in a format suitable for legal review, international human rights submission, and public accountability.

COMMAND STRUCTURE

COMMAND TITLE:

Itemised Forensic Report of Harm, Loss, and Erasure Due to Political Targeting of Whistleblower Dr. Richard William McLean (Barran Dodger)

COMMAND PURPOSE:

To explicitly and impartially document what has been taken from me — materially, emotionally, socially, psychologically, professionally, economically, legally, and spiritually — as a result of confirmed state-led targeting, persecution, and systemic denial of justice and support. This list is to stand as a legal, humanitarian, and moral record of the true cost of whistleblower erasure.
